Similarly, an official seal of a political subdivision of the state, or of any agency, department, or division of the state or any political subdivision of the state is likewise a symbol of authority and is a valuable asset to the people. It is the intent of the legislature to ensure that appropriate uses are made of such official seals and to assist the secretary of state and authorized officials in the performance of their duty as custodians of these official seals.

(d) Except as otherwise provided in this section or as authorized by the governor, the secretary, or other authorized official, an official seal shall be used for official purposes only by the state, any political subdivision of the state, or any agency, department, or division of the state or any political subdivision of the state.

(e) The secretary may authorize the use of the official seal of this state and authorized officials may authorize the use of their official seals on commemorative and souvenir items, and for historical, educational, and civic purposes. Any authorization for non-governmental use shall be in writing.

(f) Except as otherwise provided, an official seal shall not be used on or in connection with any advertising or promotion for any product, business, organization, service, or article whether offered for sale for profit or offered without charge.

(g) It is an offense to knowingly use an official seal in a political campaign to assist or defeat any candidate for elective office.

(h) It is an offense to knowingly use any symbol that imitates an official seal or that is deceptively similar in appearance to an official seal, in any manner that would be an improper use of the seal itself.

(i) It is an offense to knowingly use an official seal, or any deceptively similar imitation when not authorized or with intent to defraud or harm another.

(j) Nothing in this section shall prohibit the reproduction of an official seal for:

(1) Illustrative purposes by the news media, if the reproduction by the news media is incidental to the publication or broadcast; or

(2) Illustrative purposes in the course of educational programs conducted by the state or any institution operating under title 49.

(k) It is an offense to knowingly use an official seal in an endorsement of any business, organization, product, service, or article.

(l) With respect to the official seal of the state, the secretary shall report violations to the attorney general and reporter, the district attorneys general, or the Tennessee bureau of investigation. Investigations and enforcement of violations of this section regarding the official seal of the state shall be limited to the attorney general and reporter, the district attorney general, the Tennessee bureau of investigation, or the chief law enforcement officer of the county in which the violation reportedly occurred.

(m) With respect to an official seal other than the official seal of the state, the district attorney general for the judicial district or the chief law enforcement officer of the county shall conduct or cause an investigation to be conducted for a violation of this section.

(n) A violation of this section is a Class A misdemeanor; provided, however, a violation of subsection (i) where the official seal is that of a paid or volunteer firefighter, emergency medical technician, rescue service member, emergency management service member, law enforcement officer, or other public safety official, is a Class E felony.

(o) It is a defense to a prosecution under this section that the official seal is used or is intended to be used exclusively:

(1) As a memento or in a collection or exhibit; or

(2) For a dramatic presentation, such as a theatrical, film or television production.

(p) It is a defense to a prosecution under subsection (g) that the official seal was used by the elected official currently holding the office or position that the seal represents.

SECTION 2. Tennessee Code Annotated, Section 39-16-301, is amended by deleting subsection (b) and subdivision (c)(2) in their entireties and redesignating subdivision (c)(1) as subsection (b).
